

Input from 6/4/2013 Meeting. . .

(South Wenatchee)

What would improve your quality of life?

- Enforce traffic safety from Russell to Stevens Streets
- Access/link to Riverfront trail
- Sidewalks
- Bike lanes (over parking)
- Sidewalks both sides of Millerdale, Red Apple Road
- Safety to bus stops – sidewalks/crosswalks
- Streetscape – sidewalks – safe accessibility for bikes, pedestrians; ADA
- Staggered school start times/2nd high school
- Smaller scale walking distance; pocket parks/neighborhood parks
- Switch stop signs from Stevens Street (East/West) to Rosewood (and “wood” streets) (North/South) to slow people down through the neighborhood
- Lighting improvements near hospital in neighborhood; LED lighting – for safety
- Prioritize Red Apple Road – safety – kids walking with ambulances and LINK, delivery services
- Better snow removal on sidewalks
- Walking programs
- Safety: lighting, speeding, stop signs
- Traffic cuts through Rosewood area to school and hospital. A traffic circle at Rosewood and Stevens would help
- Preserve city edges for low rise – keep density and structures toward central core
- Deeper connection among citizens – more informed and engaged (like this meeting)
- Slower traffic
- Water park
- Waterslides
- A central resource for getting information on the community from “where to get a kendama” to “where are city parks”
- A waterpark with lots of slides
- Irrigation water or access to irrigation water - would help with overall appearance as well
- Wifi zones – access to information
- Waterpark
- Sidewalks
- Bike Lanes
- Traffic signals at Red Apple Road and Okanogan
- Enhance streetscape in South Wenatchee

What is special about your neighborhood?

- Great walking
- Appreciate separation of uses – single family and multi-family and protection of views and neighborhoods
- Addition of sidewalks around Lincoln has been great! Great partnership!
- Unique views of the foothills and trails
- Public lands – Saddlerock

- Neighbors – property maintenance
- Diversity

If I had a million dollars, I would . . .

- Water park/aquatic center (Moses Lake as example)
- Build a waterslide and put it in Lincoln Park
- Street lights on Red Apple Road/Russell
- Build a park and put more toys
- Invest in bringing neighbors together
- Covered bus stops
